

have an additional opportunity to comment on this proposal after the DEIS/R is released to the public, which is expected to be in January 1996.

The DEIS/R will examine environmental impacts of public concern arising from the scoping process, as well as project impacts already known to the Corps. These impacts will include, but are not limited to: wildlife, fisheries, threatened and endangered species, water quality, recreation, aesthetics, air quality, public safety, transportation, and construction impacts.

The DEIS/R will disclose the project's compliance with all other Federal environmental statutes, rules, and regulations. Included will be consultation with the U.S. Fish and Wildlife Service under the Fish and Wildlife Coordination Act and possibly the Endangered Species Act, and consultation with the State of California under the Coastal Zone Management Act, Clean Water Act, and Clean Air Act.

The City of Pacifica is issuing a separate notice regarding compliance with the requirements of CEQA. The aforementioned DEIS scoping meeting will also serve as a scoping meeting for the purposes of CEQA.
